

**Walton Band and Orchestra Parents
1590 Bill Murdock Road
Marietta, GA 30062**

January 22, 2010

Dear Rising Ninth Grade Band Parents and Students,

We would like to invite you to attend a very informative orientation meeting on Monday, February 8, 2010 at 7:00 pm in the Walton High School Band Room. Information will be presented about the Concert and Marching Band programs at Walton, as well as an overview of the Walton Band Parents organization, program expectations, and a calendar for the upcoming spring and summer.

Please feel free to invite any of your friends and neighbors who are involved in eighth grade bands at private schools and who may be attending Walton in the fall. Students interested in participating in the Color Guard Dance Company are also encouraged to attend with their parents.

Plan to join us on February 8 and bring any questions you may have about our program. We look forward to meeting you and welcoming you into the Walton Band family!

Feel free to contact us with any questions or concerns you may have in advance of the meeting. See you on February 8th!

Sincerely,

Tom and Yvonne Single
Band Representatives

To get to the Band Room at Walton, turn into the main entrance of Walton High School and park in the front parking lot near the flag pole. Enter through the double doors that are on the far right side when you are facing the building. The band room will be to your right.
